The Skin of the World

21st-24th of June

Árneshreppur - Iceland

ACCOMMODATION

Please BOOK EARLY!

There are a limited number of accommodations in Árneshreppur and much of it is already booked from the 24th/25th onwards for a wedding that will take place on the 25th.

The accommodation listed in the following pages has been pre-booked by us for you. Some of the accommodation is booked from the 24th and onward, except the school. You can also consider camping with 3 campsites available.

If everything gets full there's an option of a few people sleeping at the venue and/or in a shared room in the school on mattresses (this is not listed below).

The accommodation at the School and Ferðafélag Íslands is without bedding. If you have difficulty bringing your own please be in touch and we shall do our best to solve it from this end.

TRAVELLING TO ÁRNESHREPPUR FROM REYKJAVÍK

FLIGHTS

We shall also help with travel between the local airport, Gjógur, and place of accommodation if needed.

Flights to the local airport at Gjógur are scheduled once a week in the summer, Tuesdays at 12.45 from Reykjavík. The flight is approximately 30 min. The return flight to Reykjavík from Gjógur is also on Tuesdays at 13.45.

There is a possibility that they will add another flight for the week of the event (on the Friday) if there are enough people who request that (please let me know if you'd like that).

The airline is Eagle Air: <http://www.eagleair.is/> and they have offered the airfare at 29000 ISK with tax (or appr. 245USD) both ways. Please refer to the workshop when booking so you get that price.

If you want to travel to Árneshreppur via air please book early for the plane has only 13 seats!

For the flybus between Keflavík international and Reykjavík domestic airports visit <https://www.re.is/flybus/>

BUS

There are buses from Reykjavik to Hólmavík (the next town to Árneshreppur, 100km south from here). If you choose to get the bus please let me know (elinagla@yahoo.com) and I shall organize a pick up for you from Hólmavík to Árneshreppur.

The bus schedule for the summer has not been published but will probably be similar to what it was last summer: bus from Reykjavík to Hólmavík (and back to Reykjavík on the same days) on Mondays, Wednesdays, Fridays and Sundays at the price of 49 USD. I will update you on the times as soon as they publish the timetable.

CAR POOLING

There might also be possibilities to join locals (Icelanders) in their car when travelling up to Árneshreppur.

If you want to be in touch with others making this journey I suggest if you have facebook account to join this group: <https://www.facebook.com/groups/1705391993067113/>
